

PowerWalker VFD 400-800 Schuko/FR/IEC

- Cold (DC) Start Function
- Compact and lightweight design
- Overload and over discharge protection of battery
- Available with Schuko, IEC and French outlets with Schuko or UK input cable

PowerWalker VFD 400-600-800 Series is a Standby/Offline UPS which provides secure protection as well as reliable and cost-effective backup power. The UPS can be automatically started up without AC power supplied. In addition, this UPS provides full protection: discharge, overcharge, short circuit and thermal protection.

Its pro-active audible warning reminds you the abnormal condition and ensures your connected equipment. This UPS provides clean and stable power protection to connected equipment and is perfect for home and small office application.

UPSs are available with Schuko, French and IEC outlets.
